## WFP has 4-year deal

### The Daily News

Published: Wednesday, August 25, 2010

Western Forest Products and the United Steelworkers Local 1-1937, which represents the company's workers in Nanaimo, signed a four-year contract on Friday.

The membership voted by an 82.4% majority to accept the proposed contract. Union president Darrel Wong said he was "pleased" with the results of the ballot. "The agreement gives the company and union a four-year period of industrial peace," he said. "There are signs that the coastal forest industry is emerging from a prolonged crisis and, hopefully in four years time, our membership will be able to benefit from a healthy forest industry."
