

# CO-OP BARGAINING

## USW LOCAL 1-417

August 9th, 2011 Update # 15

### Union and Company make Progress

Your Bargaining Committee spent a long day today Bargaining with Federated Co-op Management. With the Parties finally at the Bargaining table, we were able to come to agreement on the Majority of the Industry Pattern.

Although significant progress was made a number of parts of the Industry Pattern remain outstanding. A few Company demands are still on the table as well.

Both Committees will be spending time tonight and tomorrow morning preparing responses to the remaining issues.

The Parties will reconvene Tomorrow morning at 10 am.

*As we are in the middle of Bargaining and remain at the Bargaining table, specific details will not be released at this time. We will release more information As Soon As Possible.*

In Solidarity
