BC BARGAINING COMMITTEE MEETS IN CRANBROOK

The BC Interior Bargaining Committee met in Cranbrook to discuss bargaining strategies. After a review of the October Conifer position, the BC Interior Bargaining Committee has decided to pursue an exploratory meeting with West Fraser.

With recent favourable changes to market conditions in China and in the United States, the USW continues to look to the BC Interior for early signs of recovery.

The BC Interior Bargaining Committee will meet with West Fraser on December 8th at the District 3 Office in Burnaby.
