BARGAINING BULLETIN #27

February 5, 2010

CANFOR AND USW HAVE PROGRESSIVE DIALOGUE

After a disappointing session with West Fraser in Williams Lake, the BC Interior Bargaining Committee spent the first week of February negotiating with Canfor in Vancouver.

Previously, the BC Interior Bargaining Committee had spent the last week of January in Williams Lake attempting to negotiate with West Fraser.

And while the BC Interior Bargaining Committee was prepared to continue meeting with West Fraser during this week, West Fraser declined your Bargaining Committee's invitation to continue to bargain during the first week of February.

The Committee rescheduled that time with Canfor.

The BC Interior Bargaining Committee has now concluded a week of progressive and meaningful dialogue with Canfor in Vancouver and will resume negotiations on Monday, February 8th at Canfor's Prince George location.
